

Love Is In The Air!

And love is spelled “D♥R♥O♥N♥E” – that crazy whirlybird known in proper circles as an Unmanned Aerial Vehicle (UAV). From the air, drones are able to fully capture the romance of homes and property – not to mention all of their physical charms.

So, if you want home buyers to fall in love with the real estate you are trying to sell, let John P. Hale help you fly into their hearts. John is a very credentialed and experienced REALTOR®, licensed in both Maryland and Pennsylvania as well as being licensed by the Federal Aviation Administration (FAA) to be a drone pilot.
